BANGALORE DISTRICT.

A CORRECTION.

As per an article that appeared in the "Daily Post" some time back, many officers and officials of the Public Offices in Bangalore are under the impression that the office of the District Medical and Sanitary Officer has been shifted to the Eye-Infirmary. It is not so. The office is still in Grace Ville but in the new block recently built behind the main building.

V. MUTHUSAMY DOSS,
District Medical and Sanitary Officer.

MYSORE CITY IMPROVEMENT TRUST BOARD.

FORM OF ADVERTISEMENT.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Mysore City Improvements Division, up to 4 P.M. on Monday the 27th January 1913, for "Laying pipe sewers, etc., in No. III Drainage Area, Part II" of the Mysore City. An approximate estimate of quantities is given separately. These quantities are not guaranteed. The work should be completed by the end of June 1913.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office, Mysore City Improvements Division, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for laying pipe sewers, etc., in No. III Drainage Area, Part II, of the Mysore City," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Government who do not bind themselves to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The work will be divided into 6 or 7 sections and one section given to each of the successful tenderers.
